Create an account

Just try it: you'll see!

Take a note right away wherever you are

Access lino from your home, office, or even on the road and post a sticky note online whenever you need!

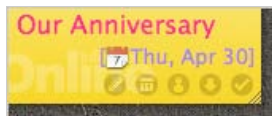

Share your ideas with your group members

By creating a group, lino becomes an ideal tool to share your ideas with your friends and colleagues.

Reminders on your special days or deadlines

Set due dates on your stickies, and you will receive an Email reminder on the morning of the due date.

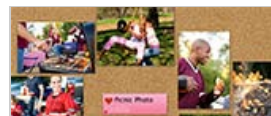

Use stickies to share files among friends and colleagues

Attach your files to stickies, and share them with your friends and colleagues at home and office

Free layout of your pictures and videos

You can arrange your pictures and videos as you like and share them with your friends.

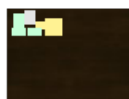

Use from iPhone/iPad

Take notes, post pictures and videos. Zoom in and out at will by pinch gesture.
